## DETAILED ACTION

### *Election/Restrictions*

1. Restriction to one of the following inventions is required under 35 U.S.C. 121:
  - I. Claims 1-13 and 79-82, drawn to an extraction device and method for use, classified in class 422, subclass 68.1.
  - II. Claims 14-37, 91 and 92, drawn to an extraction device and method of using, classified in class 422, subclass 68.1.
  - III. Claims 38-64, drawn to an extraction device, classified in class 422, subclass 68.1.
  - IV. Claims 65-71, drawn to an extraction device, classified in class 422, subclass 68.1.
  - V. Claims 72-78 and 83-90, drawn to an extraction device delivery system, classified in class 422, subclass 68.1.

The inventions are distinct, each from the other because of the following reasons:

2. Inventions I, II, III, IV and V are unrelated. Inventions are unrelated if it can be shown that they are not disclosed as capable of use together and they have different modes of operation, different functions, or different effects (MPEP § 806.04, MPEP § 808.01). In the instant case the different inventions, each of the apparatuses in groups I, II III, IV and V are comprised of different structural elements. Therefore, each apparatus has a different mode of operation.

Art Unit: 1743

3. Because these inventions are distinct for the reasons given above and have acquired a separate status in the art because of their recognized divergent subject matter, restriction for examination purposes as indicated is proper.

Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

4. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a request under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(i).
